

Unmatched Accuracy for Every Club in Your Bag

The advertisement features a dark background with a blue and purple gradient. At the top, a yellow shaft is shown in a curved position. Below it, the brand name 'NUNCHUK' is written in large, bold, white letters with a yellow outline, followed by 'PRECISION SHAFTS' in a smaller, white, italicized font. In the center, a silver shaft with a purple band is shown, featuring the 'NUNCHUK xi' logo and 'NVENTIX' branding. Below this, two more shafts are shown, one with 'GH2660' and '370' markings. The bottom right corner contains a list of features and the website address.

NUNCHUK® PRECISION SHAFTS

xi – the New Standard in Iron Shafts

TRI-ZONAL STABILITY™ TECHNOLOGY

- Designed to improve player performance by minimizing detrimental effects of shaft twist, droop and flex
- Each NUNCHUK® is engineered to be played by the full range of swing speeds - No need for multiple flexes
- Now available for Drivers, Fairway Woods, Hybrids and Irons
- New NUNCHUK® xi Precision Graphite Iron Shaft - Better than Steel Performance: Consistency, Accuracy, Distance Control, and Feel
- NUNCHUK® xi - Available in both .355" Tapered and .370" Parallel Tip
- Gives you the **CONFIDENCE** to **HIT MORE FAIRWAYS & GREENS!**
