DALLAS, TX  
12 July 2011

The NUNCHUK® Precision Shaft continued its successful inaugural season with a win on the Champions Tour at the Nature Valley First Tee Open at Pebble Beach – its second Top 5 Champions Tour finish in 2011. The NUNCHUK's® success on the Champions Tour complements its performance on the 2011 PGA Tour with 18 Top 20 finishes, including wins at the Bob Hope Classic and The Heritage.

The winner in this week's Champions Tour event had a NUNCHUK® in his bag on the way to his third victory at Pebble Beach in four years. He finished with a 10-under 206 (68-68-70) to bag the come-from-behind victory and finish first in the tournament with 17 birdies.

“Senior professionals playing on the Champions Tour are seeing the same benefits from the NUNCHUK® Precision Shaft as the golfers on the PGA Tour,” said Arnie Cunningham, the NUNCHUK® PGA Tour rep. According to Cunningham, “The growing numbers of professionals with a wide range of swing speeds using the NUNCHUK® shaft in their drivers, fairway woods and hybrids is a testament to the NUNCHUK's® versatility and consistency.”

“Many are referring to the NUNCHUK® as the hottest new shaft on the PGA Tour,” said Mike McCall, nVentix® Golf CEO. “However, the NUNCHUK's® patent-pending design is also helping golfers of all abilities around the world bring a new level of consistency and fun back to their golf game.” The revolutionary technology in the NUNCHUK's® design allows the exact same shaft to be used by professionals and amateurs, men and women, juniors and seniors in their drivers, fairway woods and hybrids. “When you've got a NUNCHUK® in your bag, you're playing what the pros play,” McCall added.

The NUNCHUK's® unique Tri-Zonal Stability™ technology enables golfers of all abilities to more consistently deliver LONG & ACCURATE driver, fairway wood and hybrid shots. Golfers of all ages and swing speeds who play the NUNCHUK® will see their shot dispersion narrow AND their spin rate reduced –

thus increasing both accuracy and distance.

**About nVentix® Golf**
